### RIDING FIXED, UP MOUNTAINS, WITH PRODS - EP. 16

#### INDIAN WELLS W/ MATTHEW JOHNSONSON

Heading from Boise, Idaho, Matthew Johnsonson is known as a talented professional cyclist and a rising star in the "fixie" world. With legendary performances at Pro-Vibe, The Tour de France, and countless other global stages, Matthew has earned a reputation for being both tactical and versatile. In this episode, we meet up with Matthew in Indian Wells, California where he puts his fixie to the test on steep, hot, and dry roads. Together, we explore some of the best local climbing routes, and see how Matthew's performance compares to the pros. Stay tuned for more episodes of Riding Fixed.

Biography

We build WordPress websites that perform.

At Omega Solution, we’ve spent the last 3+ years helping businesses launch and grow powerful WordPress websites. From the very first idea to a site that’s live, fast, secure, and generating results, we handle it all.

We focus on making your website look stunning, run smoothly, and turn visitors into loyal customers.

What we do best:

- ◆ Custom WordPress website design & development
- ◆ Theme customization tailored to your brand
- ◆ Plugin development & integration
- ◆ Speed, SEO, and performance optimization
- ◆ WooCommerce setup & eCommerce solutions
- ◆ WordPress API integration & automation
- ◆ Fully responsive and mobile-friendly design

No cookie-cutter themes. No clunky, slow-loading sites. Just beautiful, high-performing WordPress websites built to grow your business.

Your website. Your vision. Our job is to make it happen.
